

Capabilities Statement

Our Vision: Welcome to Brewington Management Company! We are the new standard in Program and Construction Management, and we recognize the uniqueness of every project. Our commitment to managing projects on schedule, within budget, and exceeding quality expectations is the cornerstone of our approach. Honesty, Integrity, Commitment, Excellence, and Family are our guiding principles and values. Discover the BMC difference – where precision meets diversity, and success is not just a goal but a commitment.

Our Company Description: Brewington Management Company, LLC, proudly stands as a woman and minority-owned Program and Construction Management firm. Specializing in Healthcare, Commercial, Government, and Heavy Construction, we bring a wealth of expertise and a commitment to excellence to every project we undertake. Our seasoned team seamlessly coordinates with government agencies, utility companies, and stakeholders. From initial evaluations and design oversight to project administration, contract management to construction management, quality control, and comprehensive owner representation, BMC is with you every step of the way. We don't just oversee construction; we monitor every facet of the project from inception through completion.
